NEW FAST TRACK MOVE IN SYSTEM

In partnership with **HRPA 2020 Annual Conference and Trade Show** and Voyage Control, the MTCC is offering you an opportunity to **skip the drive to the Marshalling Yard** and book a move in time through our online portal.

The MTCC Voyage Control registration system is available for Move In Only for:

- **Tuesday, January 21 - 12:00pm – 6:00pm**

Note: you will require a unique code provided by show management to enable a booking during your targeted move in time

If you do not wish to use the online registration process, you must check into the MTCC marshalling yard located at 100/120 Cherry Street.

If you would like to take advantage of this opportunity to save time and the hassle of navigating through the downtown core, please read on:

The MTCC has introduced a free, fast track reservation system for booking a Loading Dock time. We hope that you choose to take advantage of this new system to improve your Move-In experience for **HRPA 2020 Annual Conference and Trade Show**.

The benefits of registering and booking through Voyage Control include:

- The ability to drive directly to the South Loading Dock for your allotted time slot without having to check in at the Marshalling Yard.
- Your online booking will give you a dedicated space and time slot for your vehicle.
- No waiting at the Marshalling Yard; No diversions through the downtown core to reach the Metro Toronto Convention Centre Loading Areas.
- You can schedule a Move-In or Delivery time for your show items from anywhere, and choose an available time loading convenient for your business demands.
- Receive Up to date communication from the MTCC Dock Staff.

Move In Registration for HRP A 2020 Annual Conference and Trade Show opens: 12:00 pm Tuesday, January 7, 2020. You will NOT be able to book a move in time before this date.
